Dear Parents and Carers

Year 13 Art & Design BTEC- Careers in Conservation Taster Day

We have organised an art trip on Wednesday, 21 September to the Ranger's House (just off Greenwich Park) where students will have the opportunity to look around and attend a 'Careers in Conservation' taster day where they will cover a range of topics relating to Art's practical applications in the world of conservation and heritage. This trip is designed to support the students with the units that they are currently undertaking.

I will be accompanying the students on this trip. The students will leave directly from their lesson with me at midday where we will make our way to the museum by foot.

This trip is not a requirement of the curriculum, and it is voluntary, but such journeys are invariably of great educational and social value to the students. Staff must be confident that student behaviour will meet the high standards expected, ensuring that instructions will be followed, and conduct will be safe, polite and respectful. Any behaviour that results in school sanctions being implemented up to the time of the visit puts student participation at risk.

We would advise students bring:

Sensible footwear and waterproofs in case of rain, and their own packed lunch (although those who are eligible for free school meals should indicate on the reply slip if they wish a packed lunch to be provided)

As we plan to be at the exhibition until 15:00, students can either return to school with their teachers for 15:40 or, with your permission, be dismissed from the museum. Please indicate your preference on the attached slip.

I hope you agree that this is a valuable learning experience. Please sign and return the slip below to me as soon as possible.

Best wishes
