14 July 2021

Dear Parents and Carers

Year 12 Summer Progress Reports

The progress report for your Year 12 child is now ready to be viewed. This report includes updated overall attainment following the recent mock exams, along with an end-of-course prediction from your child's teachers.

Your child will be issued with a hard copy of their report from Friday 16 July, and it can also be viewed online using your My Child at School account. To view the report, please log in to MCAS and it should appear in the section called 'Reports' that is shown on the Dashboard and also the Menu on the left.

The screenshot shows the MCAS dashboard interface. On the left is a dark sidebar menu with the following items: Dashboard, Data Collection Form, Announcements, Attendance, Behaviour, Independent Learning, Parents Evening, Reports (highlighted with a blue arrow), and Timetable. The main content area displays several data cards:

- Attendance:** A green card with a table showing 'All' and 'PM' rows, both with 'Total (days)' and status indicators (red and yellow).
- Announcements:** A purple card with the message 'No Announcements data found'.
- Behaviour:** A blue card with a table listing various behaviors and their status (green checkmarks).
- Independent Learning:** A red card with the message 'No Homework data found'.
- Classes:** A red card with the message 'No Reports data found'.

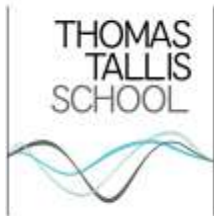

It will be named, '20/21 KS5 Y12 Parental Report Summer'.

Please take the time to sit and discuss this most recent report and mock results. We would like to offer our congratulations to your child for successfully navigating a challenging year. Where we have concerns a member of the sixth form team will be in touch.

Progression Week

We do hope your child had time to reflect and act on their next steps after sixth form. Please encourage them to continue thinking through their options over the summer - a clear plan about the next step is a very powerful 'Pull Factor' for exam success. To help this thinking process, all students been issued with our Progression Booklet. This and other progression-related materials are available online at <https://www.tallispost16.com/progression.html> A bespoke tutorial programme to support all pathways will start in September.
