PURPOSE

Graphics A level at Thomas Tallis

1. A broad foundation is taught in year 12.
2. You will become an expert in Illustration, typography, packaging design and branding.
3. In your **personal investigation** (60% of A level) you will specialise in a personal area carrying out an in-depth personal investigation.

The personal investigation begins in term 2 of year 12 and continues into year 13. You will refine practical and critical skills producing a comprehensive portfolio. Unit 2 (40% of A level) is an **externally set assignment** with a 15 hour exam.
