04 April 2018

Dear

Year 12 Parents' Evening: Wednesday 2 May 2018

You are invited to our **Year 12 Parents' Evening** on **Wednesday 2 May** which will run from **3:45pm to 6:30pm**.

We expect all parents/carers to attend. At the Parents' Evening, we will give you your child's Idata update along which will include their latest predictions, and discuss ways in which you can support your child to achieve their true potential prior to the mock examinations in June. Please bring your child with you.

The school uses an online appointment booking system which is part of our INSIGHT software. A short guide on how to choose the appointment times you prefer is available to view on the INSIGHT website. We sent your user ID and password at the start of the year, and the link to the website is on the main Tallis webpage, which is [www.thomastallischool.com](http://www.thomastallischool.com). If you have yet to log in to INSIGHT at all, you will find another copy of your login details in this very letter. If you have trouble with this online system, please email Mr Odd ([sodd@thomastallis.org.uk](mailto:sodd@thomastallis.org.uk)) and he will help you.

Appointments for the 2 May Parents' Evening can be booked online from **9.00 a.m. on 11 April until 3:00 p.m. on Wednesday 2 May**. Please be advised that there is no parking onsite (except for disabled parking). ***Please also remember to print out or make a note of your appointments when you make them:*** INSIGHT does not send reminders or appointment lists.

Acting on your child's January in class assessment results

Students who underperformed in one subject would have been spoken with by their subject teachers. Students who underperformed in two or more subjects would have had an Academic Review meeting with the Sixth Form Team and set targets and actions for improvement. These were posted home late March so that you can be very clear about our advice to your child concerning how to improve.

Attendance

Attending **all sessions** is crucial to your child's progress. If we have concerns we will place them on tutor report with no B's. If they do not improve whilst on this they will come on report to us as their heads of year. All students attendance should be 95%, or above. This information is all on Insight.

Student IDs

You will know that we are continuing to insist that all sixth form students wear their ID on site at all times. We are checking ID on the gate. Students who have forgotten their ID once will be issued with a 24 hour replacement. Lost IDs can be replaced at a cost of £5 – please ask students to see the Sixth Form Admin office as necessary.

Many thanks for your continuing support.

Yours sincerely

Heather Odd  
Head of Year 12
