Year 13 Parents' Evening in Person - Wednesday 8 March 2023

I would like to invite you to the Year 13 Parents' Evening **on Wednesday, 8 March 2023** between 15:45 and 18:45. This is an important evening and provides us with a valuable opportunity to discuss your child's progress in this academic year.

Bookings can be made on SchoolCloud, the online booking system we use for Parents Evening, from 08:00 on Tuesday 21 February. SchoolCloud allows you to choose your own 5-minute appointment times with each of your child's teachers and then emails you your appointment list.

Please note that in some subject groups, both of your child's teachers will be available for an appointment. However, unless you specifically need to speak to both teachers, it will not be necessary to book an appointment with both, as feedback may be repeated.

Parents of economists, please note: Ms Rahman cannot speak with both of the Year 13 Economics classes in one evening as there will not be enough appointments to do so. We therefore propose to offer a separate online parents' evening solely for the parents of students in 13D/Ec1 which can be booked through Schoolcloud in the usual way. We will be in touch with a date for this.

Please find below your login details for SchoolCloud to make your Year 13 Parents Evening appointments.

To make appointments please visit <https://thomastallis.schoolcloud.co.uk/>. A short guide is available on the website itself should you need it.

Please login with the following information:

Student's First Name: xxxxxx
Student's Surname: xxxxxx
Login Code: xxxxxx

Should you experience any difficulties logging in please contact our IT help desk at helpdesk@thomastallis.org.uk.

Yours sincerely,

Ms. F Lumsden & Year 13 Team
