Dear Parents and Carers

Year 10 photography trip to The Photography Centre at the V&A Museum - Tuesday 12 July 2022

We are planning to take Year 10 GCSE Photography students to The Photography Centre at the V&A Museum for this exciting exhibition:

Known and Strange

This display highlights photography's power to transform the familiar into the unfamiliar, and the ordinary into the extraordinary. Showcasing new acquisitions, it presents some of the most compelling achievements in contemporary art photography.

We will meet in the photography studio, room 1117 at 08.40. The gallery is a short walk from South Kensington station. We will take the train from Kidbrooke to Charing Cross station where we will take the tube to South Kensington. There will be time for students to see the exhibition and take photographs on the journey to and from the gallery.

Students will need to bring a packed lunch & water bottle. If your child is eligible for free school meals, a packed lunch will be provided for them. Students must be in full school uniform. We will return to school at 15:15 and children will be dismissed from school. Students will **not** need an Oyster card for the return journey as free travel has been booked from TFL.

Trips like these are not compulsory but are of great benefit to the students, helping to expand their cultural horizons and extend their understanding of contemporary practice in light and lens-based media. I hope you agree that this is an exciting opportunity and you are able to give permission for your child to attend.

Please complete the permission slip attached and return it to me at your earliest convenience.

Yours sincerely
