Dear Parents and Carers

V&A Museum in South Kensington – Thursday 22 June 2023

There is an upcoming A Level Graphics visit to the V&A Museum in South Kensington. This is an essential trip as it will support students in their primary research and provide ideas and inspiration for their Graphics Personal Investigation.

This visit will take place on Thursday 22 June 2023. Students should arrive at school as normal in time for AM registration. We will depart at 09:00 and return by 15:00. We will leave from Kidbrooke Station to London Bridge and use the Underground to South Kensington, doing the reverse in return.

This visit has been planned as part of their Graphics A level course. A risk assessment has been completed.

Students should wear an appropriate coat and shoes for the weather. Students will be responsible for any money or personal belongings such as mobile phones, brought with them. A packed lunch will be required. Students who are entitled to free school meals can collect a packed lunch from school.

Entry to the museum is free. I have applied for free travel via TFL's school party travel plan so there should be no cost. If this is unsuccessful students will need a prepaid Oyster card, however I will contact you again if this is the case.

Students can be dismissed from Kidbrooke Station or from South Kensington if easier. If you have any objections to this and want them to return with me to school, please let me know at kferris@thomastallis.org.uk. Please also inform me if your child has any medical condition or other need which may affect them on this trip. If your child has prescribed medication for any condition, please ensure that they have it with them on the day, or it is at school for them to take with them.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'K. Ferris', written in a cursive style.
