Dear Parent and Carers

Year 13 Visual Arts Progression - University Visit & Workshops

We have organised two University visits to help students applying for visual art courses next year.

9 November 2022 - Camberwell School of Art

Includes a tour of the UAL campus, introduction to the Foundation Diploma in Art & Design course & Portfolio workshop.

18 November 2022 - Ravensbourne University London

Includes a tour of the campus, introduction to the Foundation Diploma in Art & Design (Media Production) & a showreel workshop.

The aim of both trips is to give students more information on the structure and aims of a Foundation Diploma course for either Art & Design or Media Production, a feel for the establishment they may wish to apply to, and tips on putting together either portfolio or showreels that they may need in order to apply for their course of choice.

For both trips we have arranged to meet outside the relevant venue at 09.45 (specific location details can be found on the reply slips), therefore the students will need to make their own way there. The workshops finish by 13:00 and the students will be dismissed from the venue. We suggest that they then work on their portfolio or showreel at home for the remainder of the day, while the information is fresh in their minds.

This is not a compulsory visit, but we hope you will see this as a useful opportunity for your child. There are 30 places available for each trip, we would therefore ask that you indicate which **one** trip they will be attending by selecting the relevant box on the reply slip.

If you have any questions, please do not hesitate to contact me on my email idgetscharnervischer@thomastallis.org.uk.

Yours sincerely,

Isabelle de Tscharnner Vischer
Progression Lead for the Visual Arts & Teacher of Art & Design
