### Reminders:

- Students **must bring their passport.**
- Students must be outside Thomas Tallis at 07:45. The coach will not wait for latecomers.
- The currency is Euros. Please make sure you have exchanged money before you travel. Or have an appropriate bank card to use (please be aware of charges).
- Students are responsible for their own cash and bank card. They should bring a European plug adapter.
- Students should bring food and a refillable bottle for the way there and back. They will be able to purchase food on the ferry and at service stations. However, these may be expensive. They are permitted to bring food on the ferry and have it in their hotel room.
