## Year 12 Young Curators 2022

Dear Parents and Carers

Your child has been selected to participate in the Young Curators programme.

The purpose of this programme is to teach the students critical professional skills. They will work with other students from across the borough and contribute to the development of a major new report on climate art published on the eve of COP27, and judge 1,500 submissions to the Young London Print Prize with their choices (the winners) then showcased live on the Piccadilly Lights. Through this process, they will grow as individuals, enjoy, and express themselves, and understand more clearly the career options available to them in the world of contemporary art. This also will contribute directly to the students curating and portfolio units. Students have been provided with a copy of the full schedule so that you have an overview of the activities that they will participate in. The second trip is a workshop at Queer Circle, Barton Yard, SE10 0BN. We will be involved in a Climate Art workshop and meeting a curator.

The workshop will run from 10:00 – 15:00. Students will meet in the Post 16 Canteen at 09:00. We will travel by the 335 bus from The Dover Patrol, to North Greenwich Station where we have a 4 minute walk to Barton Yard. We intend to return to school by 15:45. However, if you are happy for your child to make their own way home from North Greenwich, please make this known on the consent slip attached.

This trip is not a requirement of the curriculum, and it is voluntary, but such journeys are invariably of great educational and social value to the students. Staff must be confident that student behaviour will meet the high standards expected, ensuring that instructions will be followed, and conduct will be safe, polite, and respectful. Any behaviour that results in school sanctions being implemented up to the time of the visit puts student participation at risk. Please make sure that students have a valid travel pass and packed lunch.

We hope you agree that this is a valuable learning experience. Please sign and return the slip to Sarah Phillips, the trip leader, as soon as possible.

Best wishes
